PAINT YOUR OWN OFFICE MUG -
PUTTING THE CREATIVE INTO WORK

WHO IS GIDDY STUDIOS?:

Giddy Studios is an independent, premier pottery painting Studio where all ages get creative painting pottery pieces (often office mugs) with their own designs and ideas. Each unique masterpiece is ready one week later having been hand-glazed and fired in Giddy's kilns.

At Giddy Studios we know that there is a great fit between pottery painting and the adult corporate market – we offer the opportunity to take a pause out of a busy working life to get to know colleagues and explore creativity in a non-judgmental environment. BYO on snacks and drinks optional, or Pizza can be ordered from Dominos and delivered to the Studio (40% discount).

Pottery Painting is a brilliant, simple, mindful creative activity that is all-inclusive as a team event. We believe it fosters innovative thinking and improves team engagement.
